- **Client Success & Escalations:** High-Level Troubleshooting, Dispute Resolution, Customer Retention, B2B/B2C Communication
- **Process & Quality Support:** Workflow Automation, Lead Generation Pipelines, Data Structuring, QA Evaluation & Coaching
- **Leadership & Strategy:** Assistant Team Leadership, Performance Monitoring, SME Mentorship, Staff Training

PROFESSIONAL EXPERIENCE

Independent Operations & Administrative Specialist (Remote)

Freelance Practice | July 2021 – Present

- Architected and maintained dynamic backend workflows utilizing advanced CRMs (GoHighLevel, Zoho, Kartra, Salesforce) to streamline client business operations.
- Designed automated data-tracking systems via Google Sheets featuring complex formulas, growth metrics, and visual performance reporting.
- Executed targeted lead generation campaigns, building verified contact datasets and optimizing outbound prospecting structures.
- Managed end-to-end digital media design, asset creation, and content formatting utilizing Canva.

Call Monitoring & Quality Assurance Specialist (Amazon Account)

Sitel | August 2020 – July 2021

- Conducted rigorous QA evaluations, process compliance audits, and targeted coaching sessions to optimize agent performance metrics.
- Developed operational scorecards to identify systemic service bottlenecks and improve customer satisfaction ratings.

Customer Service Representative & Assistant Team Leader (AT&T / DirecTV Accounts)

iQor | April 2018 – July 2020

- Functioned as a Subject Matter Expert (SME) and Assistant Team Leader, overseeing daily floor operations and escalations.
- Mentored and coached a team of 15 agents, consistently driving performance metrics to overdeliver on monthly revenue and retention quotas.

Technical Support Specialist (AT&T Mobility - Apple Ecosystem)

Ibex | June 2017 – April 2018

- Delivered high-level technical troubleshooting, network configuration, and hardware support for mobile devices and Apple ecosystems.

Escalations Desk & Billing Specialist (DirecTV Account)

Sitel | December 2016 – June 2017

- Managed critical customer escalations, breaking down complicated billing structures into clear, digestible terms for disgruntled clients.
- Retained high-risk accounts through advanced objection handling, negotiation, and strategic upselling.

Sales Consultant

Puerto Gateway | July 2015 – December 2016

Tech Support Tier III

Convergys | October 2014 – June 2015

EDUCATION

- **STI College** (2012–2014) – Consumer & Computer Electronics
- **Seminario de San Jose** (2006–2010) – High School Diploma
