

QUALITY ASSURANCE & OPERATIONS SAMPLE

QA / Process Improvement Portfolio • Demonstration Scorecard

Sample QA Scorecard

Category	Weight	Score	Notes
Process Compliance	25%	24/25	Procedure followed
Accuracy	25%	23/25	Minor documentation gap
Communication	20%	19/20	Clear and professional
Customer Handling	20%	18/20	Good ownership
Documentation	10%	9/10	Complete with minor formatting issue

Finding & Action Plan

Finding: documentation consistency is the main improvement area.

Action: use a short checklist before closing each case and standardize required notes.

Follow-up: review the next sample set to confirm the issue is improving.

Operations Value

A strong QA process does more than score work. It identifies recurring issues, documents root causes, and turns findings into repeatable process improvements.

Background

This sample reflects the QA, compliance, coaching, scorecard, and service-bottleneck experience described in the resume.
